WATER WORKFORCE WOMEN MENTORING WOMEN ONLINE SPEED MENTORING EVENT

Join us for a unique speed mentoring event to learn from your fellow women industry peers and leaders about their challenges and opportunities, and the various actions they took to enter in and grow within their work function. This limited seating virtual event will provide participants 4 rapid sessions in which you will engage with mentors to ask questions and seek advice on your interest within the various work functions.

Thursday, June 23rd ~ 11:30 am to 1:00 pm
